## Online Practice for M-STEP ELA, Math, Science and Social Studies

The online Sample Item Sets are a select group of test items in ELA, mathematics, science, and social studies that encompass different item types, such as multiple choice, constructed response, and various kinds of technology-enhanced items. The sets provide students, teachers, and parents practice in solving grade-level and content-specific test items aligned to Michigan's academic content standards.

There are two ways to get to the online Sample Item Sets:

- 1) Anyone can access the Sample Item Sets through the **Chrome** browser at <https://wbte.drcedirect.com/MI/portals/mi/>.
